

POWERTRAIN SERVICE AGREEMENT

Powertrain Protection You Can Trust

RSC Equipment Rental® wants you to be satisfied with your used equipment long after you buy it. That's why RSC is offering a service agreement that helps assure dependable, ongoing performance from any qualified unit you purchase.

Our service agreement includes:

- > **Zero deductible, six-month/1,000 hours, unlimited Powertrain protection.**
- > **Simple, hassle free plans, and technicians that respond quickly to any claim or service request.**
- > **All service is performed to strict original equipment manufacturer (OEM) specifications.**

Coverage valid through six months from date of purchase or 1,000 hours of run-time, whichever comes first. For most purchases, eligible units must be seven years old or newer and have less than 5,000 hours. Non-eligible units: powered licensed units and trailers.

As your single source for used equipment, RSC offers this valuable service agreement for only \$599* to help give you added peace of mind by minimizing the risk of costly downtime. *Powertrain agreements purchased with equipment priced at over \$30,000 per unit will be sold at 2% of actual sales price.

Offer only available in the United States. All offers are valid only for the direct purchaser of the products, and may not be assigned or transferred in any manner. RSC may amend, modify or cancel any offers at any time without notice in its sole discretion. All offers are subject to the terms and conditions of the applicable program, which will be provided to you upon request. Powertrain program is available within 72 hours of equipment purchase.
